

Collaborative Partners Program

Save up to 50%

Chester Street Foundation provides an opportunity for child-serving organizations to integrate **TraumaTALKS** into their on-going training programs.

TraumaTALKS provide trauma-informed training and professional development for frontline individuals, including medical and mental health professionals, social workers, educators, and organizations serving children.

TraumaTALKS

Featured TraumaTALKS: On Demand | In Person

Professional Development credits available.

Could it be Trauma? *Supporting Kids on the Road to Recovery*

A two-part, three-hour evidence-based training to help professionals identify and address trauma effects in children.

An Introspective Look at Trauma and the Need for Self-Care

A two-hour training providing practical tools for people caring for traumatized youth to preserve and maintain their own well-being.

2024 Collaborative Partners Program BENEFITS
